CONSTRUCTION

**METNOR Construction Ltd.**

**Project: Winn Studios, 396 Bedroom Student Accomodation, Newcastle upon Tyne**

"We confirm that the service from Apex was very good and the very few repairs that were required were completed quickly and kept the site operational at all times.

All six of the radios were continually used since first delivery, and were especially important for the steelwork erection between the Steel Erectors, Crane Operator, Banksmen and our Foreman in horrendous winter weather conditions."

**Gerry Simpson – Contracts Manager**
