Lifestyle Sports Cork Shopwatch Digital Radio Link Scheme

"Since the installation of the Cork Shopwatch Digital Radio Link Scheme, Lifestyle Sports has seen a large reduction in stock loss at our Patrick Street branch.

The radio link has assisted in reducing and controlling loss and addition to this the management and staff feel a greater degree of safety and comfort from the fact that the radio can be used to alert others to the need for assistance should there be any threat or fear of violence.

The store manager and security staff have commented several times on how information gained from the use of the radio system has helped the store. The ability to adequately prepare for the arrival of suspects due to advanced notice received from others in the community is essential.

Lifestyle Sports would not hesitate to join Apex Shopwatch Schemes in other towns and cities and would highly recommend Apex Schemes to other retailers too."
