# T92 H20

WALKIE-TALKIES

**SEIZE EVERY MOMENT**

## GO ANYWHERE

With a floating waterproof design<sup>1</sup>, rugged construction and up to 10km range<sup>2</sup>, the T92 H20 walkie talkie keeps you connected with family and friends. The integrated torch has bright white and red modes and will automatically activate on contact with water. Press the emergency alert button to activate a hands-free call and sound a loud warning tone on your radio to signal to others in your group that you need help<sup>3</sup>.

Supplied with rechargeable batteries, 2 USB-C charging cables, belt clips with built-in whistles and a carry case, the T92 H20 has everything you need to stay connected during your wildest adventures.

T92 H2O Twin Pack: A9P00811YWC MAG

<sup>1</sup> This radio meets IP67 standards. It will withstand submersion of up to 1m for 30 minutes. Radio floats with included NiMH battery. It may not float with some AA batteries. Use of headset should be in dry environments only.

<sup>2</sup> Subject to terrain and conditions.

<sup>3</sup> The Emergency Alert feature should only be used in the event of an actual emergency. Motorola Solutions is not responsible if there is no response to the emergency alert from the receiving group.

<sup>4</sup> Based on standard usage of 5/5/90 cycle.

Availability is subject to individual country law and regulations. All specifications shown are typical unless otherwise stated and are subject to change without notice.
